Faith is not what you perceive in mind

It's to climb the mountain top, if you fall  
By trusting God who is in control of all

## What's Faith?

**A firm belief with all your heart  
It never asks why, but why not?  
In all your doubts, doubt not Jesus  
Trust Him, faint not in your soul  
He is faithful to fulfill your goal**

*Little David conquered Goliath with a slingshot  
By faith in God, the mighty One of Israel he fought  
A little boy's bold step of faith, with God His shield;  
Made the champion giant fell flat on the battlefield:  
The greatest battle was won, not with the gunfire,  
But by faith on God of the armies and Holy Fire.*

*Yes my dear friend your unshakable Faith in God can move mountains that's  
my experience it will be yours too...*

*Without faith it's impossible to please God.....He rewards those  
who trust Him...Amen!*

### A few lines

Chosen by God as a teenager  
To serve Jesus the Lord, her maker

Neither rich nor intelligent to say  
Molded in His holy hands as clay  
Hidden to be shaped day by day

Yearning for years to see the global Revival  
With prayers and tears, not for mere survival

Jesus is the only way, for the mighty breakthrough  
The latter rain is going to pour soon, its really true  
Come and be drenched in its outpouring, its new.

**The author has penned down the lines of this book with God's guidance and her  
real life experiences and not from her imaginations or fantasy. All glory to Jesus!**

### PRAISES

Gracious God, Almighty King  
Let our lives your praises sing  
We worship and adore You  
We offer ourselves to You

I sing the mighty power of God  
That made the mountains rise  
Who spreads the seas abroad  
And who built the lofty skies

Oh! Lord I bow before your throne  
In awed humility and reverence known  
When I think on who you are  
My knees bend to my Savior

Oh such a love, still my soul ponder  
I'm totally lost in holy wonder  
Love so divine, rich and free  
Everlasting grace to you and me.

### **LEAST AMONG THE LITTLE**

Who am I Lord to be remembered or worth for seeing?  
Counted as dust or clay, but only a fragile human being

I'm not worthy, talented or gifted in the world's sight of mess  
But you have chosen me to proclaim your Gospel and witness

The fierce wind has blown over me, shaking me to the core of its root  
When your amazing grace has sustained and embraced me to bear fruit

Your Holy Spirit always strengthens and empowers my fainted heart  
Whenever I walk alone in the dreary desert, my comfort Thou art

Friends may leave, the dear ones too depart, but not you oh! Lord  
Your exceeding goodness and everlasting kindness is great my God

The God of my comfort, I always look up to you on the cross  
As my Redeemer lives, I'll never be let down or no more loss

I am protected and safe under the shadow of Your mighty wings  
You always surround me with Your presence and my heart sings

You have made me to come out of the parched land and pool of tears  
Now I'm singing Your praises with a loud shout and Hosanna cheers

Gone are the days of adversity, don't be downcast oh! My blessed soul  
The Lord has opened the doors of responsibility to reach your goal.

## THE TRUE FRIEND

heart  
am brought  
deep  
alone I weep  
feelings  
groaning  
weakness  
meekness

Jesus please listen to the cry of my broken  
As by your precious blood on the cross, I  
The voice of my agony and pain is often so  
Precious Lord, my God always to you  
Often it's very difficult to express my inner  
As if sometimes You look so silent to my  
But I believe surely the Holy Spirit helps me in my  
Since You count my tears and comfort me by your  
Whenever I come to Your feet in search of eternal peace  
The overflowing measure of your Divine Love never ceases  
Abba! Father my Friend and my Comforter hear me  
I surrender myself totally to you in bended knee

### Rejoice and Delight! My Soul

#### **Rejoice Oh blessed soul, delight you are under His control**

Surely goodness and mercy shall follow you in your life  
Amidst your longings and groaning of battle and strife

No more your tests and trials follow beyond your patience limit's measure  
Its He who steps in and comforts and crowns in merits of treasure

The obstacles and mountains will be crushed on your way  
Your hopes will be cherished and your heart filled with joy

The thorns are removed and the flowers blooming  
The hardships are over and the buds are glooming

Blessings will follow with its victorious splendor  
To illumine your heart and thrills you with wonder

Miracles will happen to increase your Faith, be strong  
Your Mission will be accomplished, it'll never go wrong

The soft and tender hearted divine love touches you today  
His precious perfume and the sweetest anointing fill your bay

Your desires are filled; your faith is rewarded now  
Be blessed and rejoice in Him always to thank and bow

## Tears bring Cheers

When God selects, the world neglects you, it's sure  
It needs neither explanation nor any definition clear

If you are precious in God's sight, being his delight  
You will be molded in the darkest, nothing looks right

Every thing seems confused, nobody could console you  
There'll be utter desperation, no light to shine through

Why do the people disappoint and reject you, can't speak  
Your wishes are not granted and the problems are in peak

Oh dear, wait He does the best, for your good He's God! Not man  
Complain not; grumble not, till He moulds you for His perfect plan

Till the time comes to bring you out of the locked cage

Be patient, never question, and yield and submit to His will to be done  
Finally the day will dawn, the time will come, and the battle is over and won

He, who turned your sorrow and kissed you with loving cheers,  
King of Kings and Lord of Lords blessed you dear so no more tears

## Faith moves Mountains

Faith on Jesus moves the mountains and will open up a fountain  
Do you say it's not possible, but God says, "Nothing is impossible"  
Why do you shrink with unbelief? Only faith can give a great relief.

Does your family seem to be broken and you're totally shaken?  
You're sullen and shocked, as, all your ways have been blocked  
There comes Jesus to cheer and to wipe out your every tear.

If Satan tries to engulf you in his encounter by his threatening  
God is there to defend and protect you, from all his frightening  
He will surely strengthen your ventures, no more shortcomings.

Don't get perplexed or retreat from the battlefield, if the enemies shout  
The heavenly light will pierce through the deep darkness in your doubt  
Jesus will command his glorious power, to surround you as a mighty fort

The fury of nature has brought you terror and despair so longer  
And the Master on your boat sleeps, undisturbed like a stranger

Oh! Where's your faith? He stands in the midst to help in danger

Neither the troubled sea nor the tumult can shake your faith  
The hungry waters can't swallow you, but calms at his breath  
The black clouds move away by giving a way for your mirth

A mustard seed of faith can topsy-turvy everything if it's strong  
To move the mountains and cast them into the sea, it's your song  
That's the Triumphant Faith! Which can testify and moves along?

#### ASOUL'S HEART CRY

Use me dear Lord, to be an instrument in the Master's hand  
To be a chosen vessel and strengthen me as a soldier to stand  
Guide me Jesus to follow your footsteps, to choose your way  
My gracious Redeemer, let my heart Thy dear voice alone obey

When I fail in my duty  
To reflect your beauty

Mould me and shape me according to your perfect will  
Wash me by your blood, which you shed on Calvary's hill  
Help me God not to go astray from your side  
But under Your everlasting arms let me hide

I'm nothing in your precious sight  
Shine through me as a beacon light

Repenting, rejoicing, reviving I come to You  
Bless me, fill me and touch by Your heavenly dew  
I believe there is a blessing for me sure  
Whenever I humble myself and keep my heart pure

Where can I go Lord from your presence?  
If only, have to lose my spiritual essence

Sanctify me God, always to move forward  
Not a step backward but striving toward  
You alone can understand my inner heart  
By your chastening much have you taught

Let me not wander but show me Lord your wonder  
Of latter rain pouring with lightning and thunder

Here am I Lord to be molded as clay  
Fill me and dwell in me day after day  
My life is to be in your hands, till I reach Heaven

## THE PENETRATING PRAYER THAT SHAKES THE HEAVEN

A broken heart utters the prayer that shakes  
Not simply petitions but ceaseless groaning it makes

To move the heart of God while He is listening  
Always bending in knees day and night wrestling

The springs of blessings from heaven overflows  
To reap the conquest of a mighty battle after the blows

The greatest intercessions with its burdenful pleadings  
To venture with the promises of God in all its abiding

The greatest forces of this earth cannot prevail its goal  
The mighty faith makes it triumphant for the blessed soul

The vessel seems to be sinking no, as His promises are true  
Oh! The hardest and toughest experiences it has crossed through

The battle with Goliath is won once for all he is defeated  
As little boy David with few pebbles has not retreated

A believing heart in God prays much and always receives  
The abundant blessings from above of whatever it believes

Prayer penetrates even through the utter darkness  
To bring the radiance and bliss of His brightness

It pierces into the rocks that look hard and rough  
And breaks it into pieces to pave the way for a battle so tough

Believing in persisting prayer and receiving it is so glorious  
Yielding to God and trusting God in His promises

Oh dear heart! The answers that prayer brings is always marvelous indeed  
To those that never wavers but trust Him wholeheartedly in tremendous need

In your prayers trust God absolutely His promises are sure  
Yea and Amen are His words; He'll kindle its fire so pure

### A chariot of fire

Be strong in faith, if you are expecting the greatest miracle  
You'll be taken to the utmost sufferings of its pinnacle

Rejoice evermore; it's the time for your triumphant victory  
To thank God, for all these years, it is a hidden mystery

Jesus has come to wipe your tears today; He is at your door  
Relinquish my dear soul and get up quickly from the floor

He'll dine with you, shout and sing for joy that never cease  
Oh, glory to God in the highest and on the earth be peace

God has done incredible things in your life to praise  
It's overflowing in you, purely by His marvellous grace

In the years to come, it will multiply and increase much  
To make you astonished and amazed for it will be such

The cherished blessings of the greatest faith is rewarded  
Bow, adore and kneel before Him, now you are awarded

The holy anointing is falling on the people on every side  
To be lifted like Elijah, in the chariot of fire, for a ride.

### **IMPERISHABLE FAITH**

Trust God alone, trust Him only;  
Never waver, you'll see His power.  
Very soon, like the starry moon;  
Give Him glory, you'll never worry.

What lies before is delayed, unless you are sanctified and equipped for the Master's use, after fighting the hard battle of Faith. By examining ourselves always and moving forward. Fixing our eyes on Jesus who has great plans for us and not trusting the human resources. Every door of human provision will be closed to you, if you turn left or right. People may not remember you to extend their helping hand, in whom you have trusted, they may or may not do a favor, but that's the time God will shower His abundant blessings. It will be a surprising miracle, which will be incomprehensible, beyond your understanding.

Do you wonder? Is it hard to digest? That's what Faith brings to a soul, which has passed the acid test of Faith in God and God alone. No wavering among the critical situations.

### **CHRIST-THE SOLID ROCK**

When the roaring waves toss and shake me deep down  
I look unto Him, who holds my hand, Jesus with a crown

Even the gross and utter darkness can never hide His lovely face  
As His overflowing love and mercy surrounds me with His grace

My feet is always laid on Lord Jesus Christ the Solid Rock

The ebbing waves can't wash me away though it looks dark

Everything seems so silent, but I can hear Him whisper  
The melodious voice of my Savior and beloved I hear

You have walked a long way alone in the wilderness  
Here am I to bless you with my mercy and tenderness

Faint not my dear; I'm not so far away as you think  
Oh! I'm very near you, close by your side, so don't shrink

I know the zeal you have for Me and the tears you have shed  
I'll never pass by or leave you alone, but will lift your head

The world will know that I'm sending the reviving fire to blow  
Through my chosen ones, whose hearts are burning for years to glow.

### Faith- Strong or Staggering?

Where are the people, who are called, God's chosen ones?  
To walk the path of tribulations, trials, tests and sorrow

Is there anyone on knees, to stand in the gap?  
To plead like Abraham with God on the map

God is waiting to share His burden with His selected few  
Who is there to listen to Him and heed to His voice  
The sins of this earth break His precious heart

Who can take a bold step to bring down the heavenly fire?  
Like Elijah among the double minded who are in the mire

God is searching for a peculiar people out of darkness  
To pour out His anointing and fill them with gladness

If you want to be the one among the holy nation  
Bend your knees; cry out to Him in a godly passion

Do you hear the Master's voice in your meditation?  
He can talk to you in still small voice for preparation

The glory of God always descends, wherever there is His presence  
To make the people feel it and reverence Him with silence

The love and compassion flows from His heavenly kingdom  
To touch His people and strengthen them in martyrdom

Are you willing to carry His cross and follow Him?  
You'll be blessed as a royal priesthood by serving Him

Never delay or tarry in your wise choicest decision  
God is there to bless the humble and your spiritual mission

Wake up be steadfast though your answers delay  
God is always in time, to help you on your way

He who's faith staggers not, but is strong  
Will reap a bountiful harvest with a melodious song

The heavens have opened; to you let your eyes see  
Angels descending in myriads with blessings of glee.

## **THE LAST MINUTE AGONY**

**The steps of a good man are ordered by the Lord**

*In all your despair and disappointments, deeper the darkness, greater the glorious and rejoicing will be.*

When your life becomes exhausted and your prayers aren't answered.  
Your strength deteriorates and your pleasant dreams are all shattered

Nothing in this world seems interesting;  
Everything looks so disgusting

No one can understand you, nobody to console you or your burden bear  
Everything appears vague; none of your friends are closer to you to cheer

As though it looks always blue, the way everywhere is blocked  
The barriers aren't removed yet, and the doors are too locked

With a frustrated heart, are these things happening according to His will?  
Where is my Shepherd? Who can open the fountain for my cup to fill?

Thou art not far away from me Lord, than me nearer to Thee  
Your steadfast love changes not, you are always faithful to me

With my strange and difficult situations, my only hope art Thou  
In total surrender and with clear commitment to you I bow

Leave me not alone; in thy shadow hide me, my Lord  
Never will you forsake me nor will you forget me God

The agony of my heart is over, and the heavenly blessings I see  
Your glory has filled me, to shine for you and made me free

I shall always praise you forever; my God Thou hast answered me at last  
Forever and ever will I glorify you till my life in this world is passed

You are my glory; you are my King and my Lord, the Prince of peace  
I am your beloved child, brought with a price so your love never cease

### ***The true companion in desertion***

Overcome your weakness and the temptation by your fervent prayer  
Or the tempter will come subtly and catch you with his flimsy power  
Fear not his threats or get perplexed by your painful circumstances  
Escape the devil's snare, beware of his trap, and come out of such instances

He will desert you, when his whims and magical tricks are soon over  
He will disappoint you and fill you with shame and darkness forever  
Never become a prey to the evil one, who will promise you happiness  
The consequence of sin will make you to walk alone in the wilderness

The distress and dejections, which it brings upon you, can't be uttered  
The devil comes to kill and destroy and in the end leaves you shattered  
By showing the glamour and its momentary pleasure that's his might  
Be not a partaker of the darkness and its vanity, but be a child of light

Yield to Jesus; hold on to Him who strengthens you in your weakness  
By faith, look at the cross; submit to his will, the victory is yours, receive  
He will lift you up and makes to walk on the high places of blessedness  
You can fail, but never be a failure; He will make you to succeed, believe

God accomplishes His plan through you, if your faith is genuine and great  
Hearken to His voice, surrender and acknowledge His lordship in your heart  
Let Him get the dominion over your soul and bestow His blessings of Zion  
Jesus the Commander, the Master and the Pilot of your life, to reach Heaven.

### **The Rejected Stone**

The stone which the builders rejected will be the chief cornerstone  
For the eyes of the Lord has fallen on it from His heavenly throne

It was behind the prison bars, ignored, neglected and forgotten  
But the light has shone on it, to make it the Father's begotten

Tears have rolled away, and its heart is being filled with gladness  
The angels from Heaven visited it to bless its soul of meekness

God always chooses the foolish of the world, to shame the wise  
The proud, He abhors them and in His sight, they are never nice

God the Almighty, is always looking for a heart that is humble  
To pour out His blessings and anointing, so it will not tumble

Oh my precious soul, be always broken and contrite in your heart  
For you are chosen for the Master's use and have been set apart

Do not be discouraged or frustrated, even if you are rejected  
The Lord needs you for His revival plan, so never be dejected

Obey Him; surrender yourself to Him, your only true friend  
My beloved be fruitful and faithful to Jesus alone till the end.

### **A PILGRIM'S LONGING**

Lord my God, why are You so long being quiet to my pleadings?  
Haven't my bitter cries reached you with its multiple groaning?

Am I not Your child Lord? Years before You called me precious  
Dear Master, still You didn't answer me, to make me victorious

Do You think my weeping and crying isn't enough in your sight  
Will You lead me through darkness, until I see your shining light?

The pain I have gone and the struggle I underwent is too much  
If ever your grace and peace have not filled me in times as such

Even now I look at You and Your divine strength on the cross  
To revive me and strengthen me in my failures and great loss

I will not be satisfied with my pilgrim's life like a story  
Unless You touch me and lift me up soon for Your glory.

### **PART II**

#### ***Thy Sanctuary Oh Lord!***

#### **A place of serenity and tranquility, which gives the peace**

Where the heavenly dews refresh the hearts by your divine grace  
The love of Christ and his glorious light that shines on your face

A place where your awesome presence is manifested in heavenly light  
By seeing the countenance of your glory and tremble at your sight

To experience the commanding dignity of your royal and eternal throne  
Where your compassion flows, for the souls that are broken and torn

To receive the forgiveness of sins, by the shedding of your holy blood  
When their hearts are cleansed and it's where the weary ones do flood

A place, which welcomes the needy and brokenhearted, no ethnic pressure  
The saving grace and the powerful anointing overflows without measure

It's a habitation for the lost souls; it's a place of shelter from the storm  
A place of transformation and makes the shattered ones feel the calm

### **The Mighty Breakthrough**

The Church is getting ready for a revival breakthrough  
It's the heart cry of God's children in knees, oh it's true

The Heavens are opened and God is sending his anointing now  
Receive it oh Church, to meet the Bridegroom, in reverence bow

The hearts will be broken and freed from its bondage of sinful life  
The love of Jesus transforms and delivers them from all their strife

He breathes His Spirit in the midst of the valley upon the dry bones  
To revive their souls and make them stand as an army, to be His sons

The power, which filled them on the day of Pentecost, is same today  
To anoint His chosen ones, for the mighty revival has found its way.

Tarry not oh ye people, it's the time of His last days outpouring  
Repent ye therefore, harden not your hearts, you need restoring

Today is the day of Salvation to mend your ways, no more delay  
Jesus is calling you now, use this opportunity, life is not to play

Your shame will be no more and your sins will be washed away  
The prodigals are coming to their senses and finding their way

Your daughters will prophesy and your young men will see visions  
Its time of rejoicing in Heaven, He has accomplished His mission

Fear not oh little flock; He's the mighty God of the heavenly Hosts  
He is visiting the nations of the world to fill them with Holy Ghost

### **Inward Purity not Outward Piety**

The glamour and show of the world's pomp is a modern trend  
It's a for a fleeting moment, its vanity will soon come to an end

God looks at a man's heart and despises the outward show  
With a deep reverence and holiness humbly we need to bow

The mystery of God's love and His holy Incarnation is so deep  
It's really beyond human comprehension, which makes us to weep

To tremble at His presence, by entering His sanctuary in thanksgiving  
By surrendering ourselves, to His sovereignty with faith and rejoicing

The marvelous thing is to become Christ like in our nature  
To be governed by the Biblical commands, to grow mature

The outward piety and religious ceremonies bring frustration  
To be born again and a thirst for holiness gives transformation

Our cup must be filled with truth and righteousness in His holy sight  
We are not to be partakers of the ungodly who rejects the light

The form of godliness, but denying its power is an abomination.  
Come out of the worthless deeds of darkness and be a holy nation

The consequence of sin will lead to judgment and eternal strife  
But the conviction of heart, will bless you with everlasting life

To seek Him fervently and to love Him truly, pursue the narrow road  
The Lamb of God was sacrificed for you to take away the sin's load

The fashion and passion of this fleeting life of will soon be over  
Those who are washed by the blood of Jesus, will live forever

The hypocrisy and the presumption of the wicked are no more  
But the genuine repentance, by the spirit of God is forevermore

The molded character and an enlightened soul will be ever strong' '  
'While the loftiness of the proud and its influence always goes wrong

If you comprehend His Divine Love, you'll shake of your outward piety  
Blessed art thou to have fellowship with God and reverence His sovereignty

### **The Supreme Sacrifice**

With the Cross-on His bare shoulder, Christ fell to the ground

It's a humiliating sight, to bear the heavy cross and the burden  
Including the mob's mockery, the insult made Him more sadden  
The pain He endured alone and the for a moment He felt forsaken

Christ was bruised for our iniquities, counted as a transgressor  
To blot out our sins and to redeem us from the condemnation  
As man's substitute, He became the holy lamb of reconcialtion  
The Son of God filled with consternation, a terrible manifestation

The disgrace the sorrow, the agony and anguish of his heart  
The burden of the cross He bore, without murmur and complaint  
The uttermost denial, carried our sorrows and He was wounded  
For our transgression, the grief He bore, the bitter cup He drank

The agonizing moment of Gethsemane, to sweat blood drops  
The inexpressible agony, the suffering for the sin of mankind  
His heart of sympathy, weep not for me but for those who perish  
All for me, such a supreme sacrifice He laid His life to save me!

My Redeemer! Words fail me to utter the message of your cross  
I humbly give myself Jesus, please forgive me, and don't forsake me  
Lord help me to be fully thine and my only life to thee forever  
I surrender my life, my all, you, only you alone are my Master.

### **The glorious power of Resurrection!**

Jesus the mighty Conqueror of sin and shame  
The only redemption for mankind  
The cry and victory impressed every one's mind

The excitement and joy of the Risen Savior  
He arose to change the hopeless' behavior  
The tomb where He was buried is empty

Death is swallowed in victory  
Jesus is alive forevermore  
He came out of the sepulcher

With a glorious shout, No more despair  
The victory over death and grave  
Man can live forevermore

Humiliation turned into jubilation  
Rejection into rejoicing

A new hope for humanity  
An end to all offerings of sin  
A new way was prepared  
To boldly enter the throne

The Crucified One is the Crowned King of glory and majesty!  
The hosts of darkness have vanished from the sight  
The angels of brightness have appeared with their light

To establish our unwavering faith, forever and eternally  
To overcome our fear and to make us trust Him immensely  
Jesus is alive, the Victor, He arose!

The same Jesus is coming again in glory with the hosts of Heaven  
Always be ready to meet Him, in the air when the trumpet sounds!

## **The Big Battle**

A battle not with flesh and blood, but with the prince of darkness  
In the heavenly places it's against hell and the hosts of wickedness  
Stand up ye soldiers, gird on with the breastplate of righteousness

### **Take**

The helmet of salvation and the sword of His Spirit, His holy Word  
He gives authority over the power of the enemy, the Almighty God  
To trample upon the serpents and scorpions, with Jesus you're Lord

### **Because**

The foes with their might are fighting to occupy the throne  
We aren't grasshoppers; with us is Jesus, so we aren't alone  
We are more than conquerors, through Him, we are His own

### **March**

Be ready to quench the fiery darts and the wiles of the wicked one  
Be strong in the power of His might, the foe defeated and the battle won  
The victory is surely yours and the work of redemption, He has already done

### **Command**

The devil will tremble at the utterance of his His powerful name  
The enemy is overthrown and will flee away in disgrace and shame  
For it says, yesterday and. today and forever, Jesus is the same

**Rejoice my soul; it's a triumphant victory, glory to His name!**

## **The fall of Goliath**

Raise up you the armies of Israel in confidence, it'll be glorious  
God will smoothen your path and you'll come out victorious

The consecrated pebbles has made the giant's downfall and end  
Your intimidations and taunts with Goliath are over, my friend

By Faith, the young David hurled the stones on the giant's forehead  
You too can do it, hold fast and hit him strong in faith, he'll fall dead

The battle with goliath is no more, his blasphemous taunts are over  
The Philistine armies and their threats are challenged by God's power

God displayed his marvelous victory and put an end to Goliath's rule  
Believe in the Lord of Hosts, the same God is He, is the God of Israel

By Faith, the unarmed shepherd boy did it, with the simple pebbles he hit  
If you too march forward by taking the shield of Faith, you're very fit.

### **The Great Reward**

God's timings are always perfect, to perform his marvelous miracle  
You'll have to trust Him, and overcome, if you have to face any obstacle  
God the Creator of the Universe, commanded everything in six days  
Will He not do it for you my dear soul, by His fullness and Infinite grace?

Bend your knees and offer thanksgiving in all your need  
Great is His faithfulness, even the sparrows He feed  
Believe, never lose heart, you'll hear the victorious chime  
God's purposes may be rather slow, but it will be in due time

Jesus your Lord is your glory and the lifter of your head  
Be confident in the midst of adversity, new paths you'll tread  
God will answer you in a remarkable way, it'll be exciting  
The mysteries of His openings are delightful and it's thrilling

Do not shrink from your Faith but yield to Him alone  
Trust in His sovereignty and believe the Rose of Sharon!  
Great will be your reward and great will be your blessing  
If with patience you'll tread the thorny path, by trusting.

### **PART III**

God's Touch
